

Fund Raising Ideas

The fund raising ideas provided on the document in this folder were collected from LEOs that attended the May 2001, San Antonio state convention. They were asked to share their best ideas and experiences.

Some may not be appropriate; some may not be even comprehensible, while others are outright unsuitable. However, you might find a new idea or may be inspired to new ideas. Whatever the case, for your consideration, here they are as described by our LEOs.
