"DIABETES AWARENESS ESSAY"
2023-2024 ONLINE Contest Rules

“Knowing Diabetes is Fighting Diabetes”

1. Essay Subject

Diabetes is a growing concern in the USA and around the world. One of the reasons why the incidence of diabetes is rising is because of unawareness. As a society, we should promote awareness, and one way to do this is to educate young people about diabetes. What is diabetes, signs, and symptoms, and how can diabetes be prevented and managed?

In this essay, contestants are asked to define and write about the various types of diabetes, identify the symptoms and health issues related to diabetes as well as medical treatments available to people with diabetes. The essay should include information about healthy meals and lifestyle changes that can help individuals manage their diabetes or blood sugar. Contestants are encouraged to interview and include personal stories from individuals with diabetes, medical practitioners or diet nutritionists caring for individuals with diabetes. The essay must be well organized, have good vocabulary and conform to required length.
