What to do next:

Step 1- Nothing is necessary for your reservation. If it would make you feel more comfortable, you are welcome to call the hotel at 830-257-4440 and confirm your reservation, but your room is secure at the hotel.

Thank you so much for your understanding and support. This recent flooding in Kerrville has hit in a very different way this year. With the YO Ranch Hotel and Conference Center losing more than half of their capacity due to the flood, we appreciate your willingness to work with us as we have done our best to accommodate everyone who had confirmed reservations with the hotel.
